

THE CAMEL CLUB SERIES

BY DAVID BALDACCI

[The Camel Club](#) [2005]

It exists at the fringes of Washington, D.C., has no power, and consists solely of four eccentric and downtrodden members whom society has forgotten. Their simple goal is to find the "truth" behind their country's actions.

One man leads this aging, ragtag crew. He has no known past and has taken the name "Oliver Stone." Day and night, Stone and his friends study wild conspiracy theories, current events, and the machinations of government, hoping to discover some truth that will hold America's leaders accountable to its citizens. Yet never in Stone's wildest nightmares could he imagine the conspiracy the Camel Club is about to uncover...

After witnessing a shocking murder, the Club is slammed headfirst into a plot that threatens the very security of the nation, full of stunning twists, high-stakes intrigue, and global gamesmanship rocketing to the Oval Office and beyond. Soon the Club must join forces with veteran Secret Service agent Alex Ford, who becomes an unwilling participant in one of the most chilling spectacles to ever take place on American soil. It's an event that may well be the catalyst for the long-threatened Armageddon between two different worlds, and all that stands in the way of this apocalypse are five unexpected heroes.

In THE CAMEL CLUB, bestselling author David Baldacci paints a frighteningly vivid portrait of a world that could be our own very soon, and the few people who have a chance to stop the chaos...

[The Collectors](#) [2006]

Annabelle is a beautiful stranger with a mysterious past, planning the heist of the century - two short cons to fund a long con, then a life of unashamed luxury, incognito in a foreign land. Jonathan DeHaven, the shy head of the Rare Books

Division at the Library of Congress, is planning nothing more than an uneventful day amongst his cherished collection. But when Jonathan is found dead by Caleb Shaw, a member of the Camel Club, two conspiracies are destined to meet as the Club determines to track down the dead man's long-lost wife - and Annabelle decides to avenge the death of her beloved ex-husband. Unfortunately, the victim of Annabelle's long con has sworn eternal revenge and Jonathan's killers will stop at nothing to keep the truth about his death, and the code they have perfected over the years, from surfacing...

[Stone Cold](#) [2007]

Oliver Stone and the Camel Club are back in their most dangerous adventure yet a war on two fronts. Casino king Jerry Bagger from The Collectors is hunting Annabelle Conroy, the beautiful woman who conned him out of millions. Stone and his colleagues Reuben, Milton, and Caleb marshal all their resources to protect Annabelle. Yet all their skills may not be enough when a deadly new opponent rips off the veneer of Stone's own mysterious past: Bagger's menace pales next to newcomer Harry Finn's lethality. Passing as a normal family man, Finn has already killed three men, with more targets to come. When Finn sets his bull's-eye on Stone, his reason will be the greatest shock of all,

causing readers to reconsider their views of good and evil. As bodies and institutions topple, the story rockets toward a shattering finale that will leave the survivors of this explosive tale changed forever.

[Divine Justice](#) [2008]

Known by his alias, "Oliver Stone," John Carr is the most wanted man in America. With two pulls of the trigger, the men who destroyed Stone's life and kept him in the shadows were finally silenced.

But his freedom comes at a steep price: The assassinations he carried out prompt the highest levels of the U.S. government to unleash a massive manhunt. Behind the scenes, master spy Macklin Hayes is playing a very personal game of cat and mouse. He, more than anyone, wants Stone dead.

With their friend and unofficial leader in hiding, the members of the Camel Club risk everything to save him. Now, as the hunters close in, Stone's flight from the demons of his past will take him from the power corridors of Washington, D.C., to the small, isolated

coal-mining town of Divine, Virginia-and into a world every bit as lethal as the one he left behind.

[Hell's Corner](#) [2010]

On the night of the State Dinner honouring the British Prime Minister, there is an explosion as the Prime Minister's motorcade leaves the White House. Oliver Stone witnesses the event. A bomb has been detonated in

what looks like a terrorist plot directed at the President and the Prime Minister. In the aftermath, British MI-5 agent Mary Chapman, an experienced, lethal operative with an agenda of her own, is sent to assist and coordinate the investigation alongside American authorities. Stone, together with Harry Finn, Alex Ford, and the rest of the Camel Club, are drawn into the investigation. But everything is not what it appears to be, and what happened in the park may not have been the actual plan. It seems the mysterious attackers had another target in their sights, and it's up to the Camel Club to stop them, or face the catastrophic results.
