

The Novels of Alice Feeney

2017 through 2023

Sometimes I Lie (2017)

My name is Amber Reynolds. There are three things you should know about me:

1. I'm in a coma.
2. My husband doesn't love me

anymore.

3. Sometimes I lie.

Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

I Know Who You Are (2019)

Aimee Sinclair: the actress everyone thinks they know but can't remember where from. But I know exactly who you are. I know what you've done. And I am watching you.

When Aimee comes home and discovers her husband is missing, she doesn't seem to know what to do or how to act. The police think she's hiding something and they're right, she is – but perhaps not what they thought. Aimee has a secret she's never shared, and yet, she suspects that someone knows. As she struggles to keep her career and sanity intact,

her past comes back to haunt her in ways more dangerous than she could have ever imagined.

His & Hers (2020)

If there are two sides to every story, someone is always lying...

Jack: Three words to describe my wife: Beautiful. Ambitious.

Unforgiving.

Anna: I only need one word to describe my husband: Liar.

When a woman is murdered in Blackdown village, newsreader Anna Andrews is reluctant to cover the case. Anna's ex-husband, DCI Jack Harper, is suspicious of her involvement, until he becomes a suspect in his own murder investigation.

Someone is lying, and some secrets are worth killing to keep.

Rock Paper Scissors (2021)

Ten years of marriage.
Ten years of secrets.
An anniversary they'll never forget.

Adam and Amelia are spending the weekend in the Scottish Highlands. The remote location is perfect for what they have planned.

But when their romantic trip takes a dark turn, they both start to wonder – can they trust the one they're with?

Because every couple tells little white lies. Only for Adam and Amelia, the truth is far more dangerous.

Daisy Darker (2022)

Daisy Darker was born with a broken heart. Now after years of avoiding each other, Daisy Darker's entire family is assembling for Nana's 80th birthday party in her crumbling gothic house on a tiny tidal island. The family arrives, each of them harboring secrets. When the tide comes in, they will be cut off from the rest of the world for eight hours.

But at the stroke of midnight, as a storm rages, Nana is found dead. And an hour later, the next family member follows...

Trapped on an island where someone is killing them one by one, the Darkers must reckon with their present mystery as well as their past secrets, before the tide goes out and all is revealed.

Good Bad Girl (2023)

Sometimes bad things happen to good people, so good people have to do bad things.

Twenty years after a baby is stolen from a stroller, a woman is murdered in a care home. The two crimes are somehow linked, and a good bad girl may be the key to discovering the truth.

Edith may have been tricked into a nursing home, but at eighty-years-young, she's planning her escape. Patience works there, cleaning messes and bonding with Edith, a kindred spirit. But Patience is lying to Edith about almost everything.

Edith's own daughter, Clio, won't speak to her. And someone new is about to knock on Clio's door...and their intentions aren't good.

With every reason to distrust each other, the women must solve a mystery with three suspects, two murders, and one victim. If they do, they might just find out what happened to the baby who disappeared, the mother who lost her, and the connections that bind them.
